## Stretched Canvas Prints

Bring your artwork to life with the texture and depth of a stretched canvas print. Your image gets printed on a premium glossy canvas and then stretched on a wooden frame of 1.5" x 1.5" stretcher bars. All stretched canvases ship within one business day and arrive "ready to hang" with pre-attached hanging wire, mounting hooks, and nails.

Fine Art America is one of the largest, most-respected giclee printing companies in the world with over 40 years of experience producing museum-quality prints. All of our prints are produced on state-of-the-art, professional-grade Epson printers. We use acid-free papers and canvases with archival inks to guarantee that your prints last a lifetime without fading or loss of color.

Corner Detail: Stretched canvas print with 1.5" stretcher bars and mirrored image sides. Also available with black sides and white sides.

## About This Promotion

Pixels.com is the world's fastest growing online community for living artists. There are currently [347,852 artists](#) who sell prints of their artwork through our site, and each week, we offer a promotional discount on one print. The promotional print is made available in limited quantities and for a limited time at a substantially reduced price.

The goal is to put museum-quality works of art into the hands of art collectors all over the world and, in doing so, build awareness of beautiful artwork being produced by the Pixels.com artist community. When you purchase prints from Pixels.com, the proceeds go directly to the artist - you're supporting a community of living artists all over the world!

## About the Artist

[Valerie Anne Kelly](#)

### Valerie Anne Kelly

Valerie Anne Kelly-aka-valzart is an award winning Artist and Photographer who takes her inspiration from the beauty of nature, specializing in landscapes. Her work has been sold and exhibited all over the world and she has painted many commissioned pieces and is presently creating illustrations for worldwide textile brands and book covers. While she works in all mediums, she loves the flexibility and limitless expression afforded her in digital art creation, especially her horses. Valerie is a traditionally trained artist who is unafraid to use any medium at her disposal to capture her subject. Valerie also experiments in 'Tradigital Art' a term she describes as art that combines both traditional and computer-based techniques to produce...
